

Xin Qiao (Constance) Liao

Impact-Driven Product Designer With 3 Years in B2B/B2C/Real Estate/E-commerce Industries

WORK EXPERIENCE

Landvoice

UI/UX Designer Intern | Nov'21 - Present

- Worked cross-functionally with PM's, engineers, and designers to create an integrative experience across Landvoice Neighborhood Search, which transforms the way real estate professionals interact with homebuyers and sellers through technology
- Created wireframes, UX/UI flow, and updated UI components within the design system to establish consistency for real estate customers and professionals

UrMart

Product Designer | Jul'20 - Sep'21

- Led the design of UrMart websites and the enterprise resource planning system at all stages from early concept to end-to-end experience
- Strategized business opportunities for new features and product iterations with product managers and engineers; increased the conversion rate by 130%

iStaging

Product Designer | Oct'18 - Jun'20

- Led the end-to-end design of VR Maker for the real estate and help them create virtual home tours in a seamless experience
- Crafted innovative solutions by leading 12 interviews, 5 cognitive mappings, and 5 co-design workshops that suit user needs
- Synthesized data-driven insights and translated into customer-driven solutions to assure the alignments with user needs and business goals

Shopee

UX Designer Intern | Jun'18 - Oct'18

- Launched a checkout flow that allowed users to use coupons easily; reduced the abandonment rate from 65.9% to 53.4%
- Optimized UI and UX processes for shipping and delivery pages; Net Promoter Score (NPS) increased from 6.9 to 8.8

KKday

UX Designer Intern | Sep'17 - Jun'18

- Conducted KKday iOS app's design, including login, listing, voucher, and payment pages
- Collaborated with product managers and UX researchers, contributed to user journey maps, information architecture, prototyping, user interface, and usability tests
