Dear Hiring Manager,

As an innovative and problem-solving product designer, I am excited to see that there's an opportunity for me to become part of Duolingo. Having 3+ years of experience in UI/UX and product design, I believe I make a strong candidate for the Product Designer Intern.

I graduated with a bachelor's degree in psychology, which equipped me with understanding of user behavior and being able to take that information to design delightful experiences. And I am pursuing a master's degree in Human Computer Interaction in Indiana University, I strive to solve for human needs by creating universal and inclusive experience. My design goal is to reduce complexity everywhere I go and make life easier.

I admire Duolingo's commitment to empowering learning communities by delivering on the promise of technology and education. As someone who dedicates to develop solutions that improve the lives of millions around the world, I believe I would be a great fit for Duolingo team. I'd love to apply my expertise in design and experience collaborating with cross-functional teams to help you driving positive change.

I'd love to learn more about this opportunity and discuss how I can contribute to your core values and goals. Please feel free to contact me at 812-803-5485 or im.xin.qiao@gmail.com. Thank you kindly for your time and consideration. I hope to hear from you soon.

Sincerely,
Xin Qiao Liao
